

Policy Statement on Provider Access

Stocksbridge High School: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in years 8 (and 7) to 13 are entitled:

- To have at least six provider encounters for all students – two in Years 8 and 9, two in Years 10 and 11 (mandatory for all students in these year groups to attend)
- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- to hear from a range of local providers about the opportunities they offer, including technical education, such as T-Levels and Higher Technical Qualifications, and apprenticeships – through subject-specific sessions, options events, assemblies, group discussions and taster events
- to understand how to make applications for the full range of academic and technical courses

Management of provider access requests

Procedure

A provider wishing to request access should contact:

Mrs Claire Jackson

Work Related Learning Lead at SHS

Email address:

cajackson@stocksbridgehigh.co.uk or careers@stocksbridgehigh.co.uk

Opportunities for access

A number of events, integrated into the school careers and personal development programme, will offer providers an opportunity to come into school to speak to students or their parents or carers.

Safeguarding

At **Stocksbridge High School** we take safeguarding and the safety of our students very seriously. We expect all visitors and volunteers to share this commitment.

You can find out more about the school's safeguarding policy here
