

# Take Away Homework!

*Choose your homework from the menu below:*

The Peri-ometer suggests the difficulty or challenge the homework may offer. Every term you should attempt at least one **'EXTRA HOT'** task!

<p>Design a web page about one of your hobbies using Dreamweaver. <i>You might need to ask your teacher for a help sheet to complete this activity.</i></p>	<p>Produce a computer virus fact file. Include at least 5 computer viruses. <i>Make sure you use key words and pictures. Try not to copy and paste information!</i></p>	<p>Use MS Publisher to write a newspaper article relevant to the topic we are studying. <i>Include specific, accurate facts with good English. You should include quotes and images...</i></p>
<p>Create a leaflet which explains how to use 5 features in Excel. <i>Try and challenge yourself to learn new features. Extra house points if you can do a Macro or VLOOKUP!!</i></p>	<p>Create 3 job adverts for a Graphic Designer, Website designer and an ICT Teacher. <i>Make sure that you include the skills that you would need and the duties you would have to do!</i></p>	<p>Create an animation using Adobe Flash advertising an after school activity. <i>Ask for a help guide from your teacher if you're not sure how to use Flash!</i></p>
<p>Create a cross word puzzle for a topic we have been studying recently. <i>Use key terms, make it informative and eye catching...</i></p>	<p>Create picture of an animal using Adobe Fireworks. <i>Write a paragraph explaining the techniques you have used</i></p>	<p>Create 10-15 challenging quiz questions about what we have covered so far in Computing. <i>Write the questions with correct answers separate to test a peer...</i></p>
<p>Create a mind map summarising a topic we have been studying recently. <i>Use key terms, make it informative and eye catching...</i></p>	<p>Identify key terms we've used in this topic and create a word search. <i>Find the definitions of key words and write them in a sentence to help you to learn spellings...</i></p>	<p>Write 3 Tweets that could summarise the lesson/topic. <i>No more than 140 characters; use #'s for key words and they must be informative...</i></p>
