# Accessing School Emails During Remote Learning

- At the bottom of our school website <https://stocksbridgehigh.co.uk/> there is a button for SharePoint Online.
- Student email addresses are their normal school login number followed by @stocksbridge-mlt.co.uk e.g if their login is 123456, their email address is 123456@stocksbridge-mlt.co.uk
- The password is the same as they use when in school.
- When logged in, click on the 9 dots in the top right corner and choose Outlook. This should allow students to access their email accounts.
