Dear Parent/Carer

GCSE Revision Guides for French and Spanish

As Y10 students embark upon their GCSE language course, I am often asked if there are any resources I would recommend to support independent study.

The Clear Revise Revision and Practice books contain revision tips and build students' vocabulary and grammar. Students also have access to listening audio via a website. For reading, writing, and speaking preparation there are additional exam style questions.

As a school, we are able to purchase these at a reduced price of £4.60 per book. Should you wish to purchase these, they are available to order via ParentPay until **Friday 20 September 2024**. Once all payments have been made, I will place a bulk order with the publisher and books will be distributed to students as soon as they arrive in school.

Thank you for your support.

Yours faithfully

Claire Smith
Subject Leader MFL
