

14 January 2026

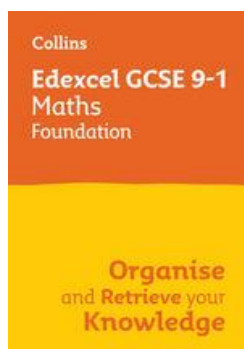

Dear Parent/Carer

Maths – Revision Guide Bundle

In the Maths department we recommend the **COLLINS EDEXCEL REVISION GUIDE BUNDLE** to help with your child's learning for the Maths GCSE exam.

By ordering the books through the school we can offer the bundle at a heavily reduced price of **3 books for £10.20** (RRP is £24.97). This will include one of each of the books below. There are Foundation and Higher Tier bundles available. You will only be able to purchase the correct tier for your child on ParentPay.

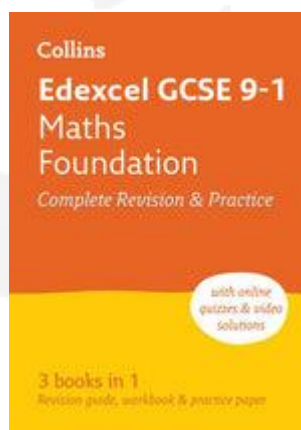

Please make payment on ParentPay by Friday 23 January 2026 and we will let your child know when to collect the books.

Great for Recall.

Great for exam Q practice.

Great for all aspects of revising

Yours faithfully

Stocksbridge High School Maths Department
