Dear Parent/Carer,

**Re: Period 6 Support and Intervention Sessions for Year 10 Pupils**

As we enter the final half term of the academic year, we are introducing a targeted support initiative to help Year 10 pupils prepare for the demands of Year 11 and their upcoming GCSEs.

From **Monday 9<sup>th</sup> June**, we will be running **Period 6 sessions** — additional lessons that will take place **after the usual school day, from 3:10pm to 4:00pm**, on selected days each week.

These sessions are designed to support pupils in consolidating key knowledge, closing learning gaps, and developing exam readiness. **They are targeted at specific subjects and pupils, based on ongoing assessment and teacher recommendations.** As such, not all pupils will be required to attend every session, but **those who have been invited to attend support in a particular subject will be expected to do so.**

Pupils **have been invited** by their teachers to attend relevant sessions. We ask for your full support in ensuring your child takes part where required. If there are any unavoidable conflicts or commitments, please contact us in advance so we can discuss arrangements with you.

Please find the current Period 6 timetable for your child below. A copy of this has also been given to your child.

Thank you for your continued support as we work together to provide the best possible preparation for your child's final year of study.

Yours faithfully,

Mrs H Storr  
**Deputy Headteacher**
