

26th March 2026

Dear Parents / Carers,

Arbor MIS (Management Information System)

As you are aware, Stocksbridge High School and all other schools in the Minerva Learning Trust are moving to a new MIS (Management Information System) over the Easter holidays and will be using Arbor in school from **Monday 13 April 2026** (the start of the summer term).

All communication via the SIMS Parent App will cease from **Friday 27 March 2026**. Communication from school will be in the form of e-mail for the first weeks of next half term whilst we embed our new system. Please look out for e-mails from **ARBOR / STOCKSBRIDGE HIGH SCHOOL**, including checking spam and junk folders.

I will be writing to you again soon after the Easter holiday with information on how to download and set up the **Arbor Parent App**.

The Arbor Parent App enables:

- Sharing of Attendance data
- Sharing of achievement and behaviour points
- Sharing of school timetable and internal and external examination timetables
- Sharing of school reports / trackers
- Receiving in app messages from school about key information
- Being able to check / update your personal contact information held by school
- Being able to message school with sickness / absence information

Thank you for your continued support.

Yours sincerely

Mrs. H Storr
Deputy Headteacher
